SKILL DEVELOPMENT PROGRAMME

(03-10-2016 to 08-10-2016)

VENUE: RUSA HALL

Organized By

CAREER GUIDANCE CELL

“If your actions inspire others to dream more, learn more, do more and become more, you are a leader” - John Quincy Adams.

A true leader of such calibre, the Principal of our college, Dr. (Mrs). D. Sarala Thambavani devised a work plan for the Career Guidance Cell that has resulted in making all the three possible for faculty members of the cell and students alike.

In a first of its kind initiative, a week long career guidance and training programme (03-10-2016 to 07-10-2016) for final year PG students of our college was planned and successfully conducted at the newly built RUSA hall from 2.00 – 4.00 p.m daily. The focus was on training required to compete with ease in government staff and bank staff recruitment examinations.

Faculty members who are a part of the cell volunteered to be resource persons and the programme was formally inaugurated on 3<sup>rd</sup> October 2016, with our Principal delivering a special motivational address on the occasion. The function and the whole of the week-long programme was co-ordinated with grace and zeal by Dr. S. Kowsalya, Associate Professor of Tamil, who always goes by an infallible rule of governance – to lead by example and to govern with a smile.

Dr. M. Kalaiarasi, Assistant Professor of Zoology was in charge of the overall physical arrangements and technical support was provided by Mrs. P. Pandi Priya, Associate Professor of Economics, and Mrs. M. Sirajunisa Begum, Assistant Professor of Geography.

The specific topics handled in the programme and the names of the faculty members who acted as resource persons are mentioned in the table given below.

The valedictory meeting was held on 7<sup>th</sup> October, 2016 at around 4.00 p.m. Dr. M. Kalaiarasi welcomed the gathering and Dr. S. Kowsalya invited the students to give their feedback on the programme.

Students' feedback was overwhelmingly positive. They opined that the programme had given them a confident orientation towards competitive examinations. Some of them required that "Tamil component" should be given due weightage. Most students requested that this programme should be repeated and extended to benefit other students.

The Principal expressed her happiness over the active participation and effort of the faculty members and student participants which had made the programme, a success. She urged upon the students to learn the art of making quick and right decisions at the right time. The Principal then distributed the certificates and worksheet booklets meticulously compiled by Dr. Mrs. P. Punitha Ponmalar and Dr. Mrs. K. Vigneshwari.

Dr. D. Maria Pon Rekha,

Assistant Professor of Management Studies proposed the vote of thanks and the programme came to an end on a note of cheer, of promise and hope of more such meetings and more focussed futures for students of our College.
