ACTION TAKEN REPORT- CURRICULUM

Based on the Feedback received from the students and alumnae the following actions were taken:

With a keen focus on quality enhancement, the institution has been consistently revising the Curriculum and has brought changes both in teaching and learning methods during the last five years. In 2016-2017, ICT enabled teaching methodology was adopted and many class rooms got converted into SMART Classrooms. Based on the feedback given by the students, in order to equip the students with employability skills, Soft Skills Training was given to final year students. As a result 129 students got placed through the Campus Interviews held during the year. TANSCHER Sponsored Soft Skill Centre was established in 2018 at PG & Research Department of English and thereon students have been regularly trained by the English faculty to address the demands of the industry.

Identifying the need of the target group, Content and Language Integrated Learning (CLIL) was introduced in Part II English at the Undergraduate level to all the students by PG & Research Department of English. In 2018 CLIL facilitated the students to hone their communication skills and remarkable progress was found in the overall performance of the

Students. Need based Non-Major Elective papers were offered in all the disciplines to have skill development and become employable.

Analyzing the feedback data given by the alumnae of the institution, Department of Home Science in order to equip the students to appear in UGC NET Examination, a paper titled, "Fundamentals of Textiles and Clothing" was included in the syllabus.

Department of Business Administration tapped the needs of the students introduced a paper on "Case Studies" on 2016-17; M.Phil., Syllabus was redesigned to cater to the students who appear for UGC NET Examinations. To hone employability skills of the students, a paper on "Competency Mapping" was included in 2020-2021.

PG & Research Department of Computer Science realizing the need expressed by the students to have additional inputs on the usage of Internet, formulated a paper on "Internet Service at your Doorsteps" as Non-Major Elective in 2019-2020.

TANSICHE Sponsored State Level Two Day Faculty Development Programme "Design, Develop and Deliver" Online Courses through MOODLE Platform" was organized for all the teaching faculty in Government Colleges. The training enabled the teachers to master the usage of ICT tools and digital platforms such as LMS portal, Google Classroom, MOODLE and access OER Open Educational Resources for teaching. The institution facilitated GSUITE domain for online teaching during the pandemic.

After analyzing the feedback given by the students on curriculum, Outcome Based Education (OBE) Syllabus was designed to help students understand, apply, analyze, evaluate and create.
