Good evening ReLO, I am happy that I am selected for the program, Summer Ends Teacher Program 2020, but I didn't receive any further information about which course that I am nominated for. Thank you

Hi Ponmari,

As you're aware, we've selected you to participate in the prestigious E-Teacher Scholarship Program sponsored by RELO India. Congratulations! Online orientation of this program will be in June and the program will run from July 7 to September 1. By the end of September, certificates will be generated for those who finish the program successfully.

This is an expensive program and we select only a few candidates from all the applications we receive nationwide. Since you are one of the few selected candidates, we expect you to finish the course and earn a certificate of completion. Otherwise, the tuition fee we cover through the university is lost.

We hope you find the course professional rewarding and enjoy this intensive academic ELT certificate.

Best wishes,

RELO India team
