GREEN POLICY

Sri Meenakshi Government Arts College for Women has a great lineage for conserving the ecological space as the campus is green with diverse plants of 66 families, rare species of 62 trees, 78 types of herbs, 13 varieties of shrubs and 14 different climbers. The policy envisions protection, preservation and sustainability of the environment through developmental programmes creating awareness among the stakeholders.

Vision

- ❖ To achieve environmental management and sustainable ecological development in the locale.

Mission

- ❖ To make the college an eco-friendly space of education for women students hailing from the rural areas of Madurai District providing effective solutions in waste management, conserving green resources and empowering the stakeholders through capacity building programmes, audits, assessment and reviews.

Objectives:

- ❖ To make the college eco-friendly
- ❖ To create social and environmental awareness
- ❖ To frame strategies towards reduction in resource usage
- ❖ To educate the students about environmental ethics
- ❖ To nurture the rich flora and fauna present in the campus
- ❖ To promote reuse and recycling of solid waste that pollutes the environment
- ❖ To transform the students as stewards of healthy environment
