

**ACTIVITIES OF THE INTERNAL QUALITY ASSURANCE COMMITTEE (IQAC)
2021-2022**

To stay up with the changing educational landscapes, higher education faces new and ongoing challenges. IQAC is an integral part of the institution's reform strategy because its primary task is to establish and implement a system to ensure the institution's quality performance and upkeep. In the academic year 2021-2022, the IQAC members of the college diligently set off with the NAAC preparatory work along with the annual plan of action. All the action plans were implemented as per the directions of the Principal, Dr.S.Vanathi, Chairperson and IQAC Co-coordinator, Dr.G.Beulah, Assistant Professor, PG & Research, Department of English.

Significant contributions made by IQAC during the current year (maximum five bullets)

- **Workshop on Accreditation:** On November 1, 2021, IQAC conducted a workshop titled "Assessment and Accreditation: Revised Guidelines for Autonomous Institutions 2021." Dr. A. Vasudevan, Associate Professor, Government Arts College, Udumalpet conducted this informative workshop for equipping the institution with essential insights and knowledge required for the preparation of the NAAC accreditation fourth cycle, aligning with UGC norms.
- An introductory session on **INDIAN RESEARCH INFORMATION NETWORK SYSTEM (IRINS)** was held on 20.12.2021 by the IQAC. Dr. M.Ravichandran, Librarian of our college oriented the faculty members on the usage of the IRINS portal to aggregate the research publications.
- **Internal Audits:** IQAC conducted NAAC Internal Audits to ensure that the institution met the accreditation criteria. These audits held on 26.04.2022 and 27.04.2022 played a pivotal role in evaluating and enhancing the institution's quality performance.
- **Academic and Administrative Audit:** An expert team conducted an Academic and Administrative Audit on 13.05.2022 which included Dr. G.C. Abraham from The American College, Madurai and Dr. N. Arun Nagendran, former IQAC Coordinator from Thiagarajar College, Madurai. This audit further contributed to assessing and improving the institution's overall functioning.
- **Student Satisfaction Enhancement:** IQAC conducted a Students Satisfaction Survey on 23.03.2022, actively seeking and analyzing students' feedback. Measures were subsequently taken based on this feedback to enhance the overall quality of education and the institution's environment.
