13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
UGC FUNDS	**Rs: 1600000/- grant was sanctioned for the academic year 2019-2020 in which 3,50,000/- was allotted for purchase of books, 8,30,000/- for the purchase of equipments, and to conduct Conferences and Seminars.**
To coach students for UPSC / TNPSC Examination	**Our college IAS Coaching Center just assists financially disadvantaged students who could not afford to pay for such coaching in private training centres in order to achieve rank. A well-equipped library and newspapers are available to assist students in their preparations. Our college provides economically disadvantaged students with equal opportunity to develop their capabilities.**
Digital Library and its Function.	**The internet has replaced books in this technology-driven era, and online learning programmes have taken over the traditional classroom atmosphere. However, libraries and their impact on students' learning processes are**

	impossible to replace. Bar codes and the Dewey Decimal Classification technique are used to automate our College Library. Our library has officially joined INFLIBNET –NLIST, SHODHGANGA, EPGPATHSALA, and DOJA. All staff and student information was uploaded to the National Digital Library Website, and they now have access to over 2,09,95,951 books. In order to gain admission to the library, students must have a bar code on their ID card.
College Bazaar with self help groups.	Despite all of the progress that women have made in the professional world, gender-divided roles continue to be a difficulty. our college MBA students conduct College Bazaar every year. This year also there were several stalls in the bazaar, and all of the major students were present. On the eve of the Bazaar, students were given the opportunity to start a business of their choice, complete with product, service, and food stalls. Students took advantage of the chance to display handcrafted pen holders, photo frames, greeting cards, soft toys, personalised key chains, and a variety of other innovations.
Conduct ICT oriented teaching learning process with ICT centers and Creating Entrepreneur skill development centre More Placements to Students. .	The college's Career Counseling and Placement unit exists to assist students in achieving their career goals by providing guidance and assistance. It promotes higher education or studies, as well as self-employment and job prospects. Several programmes were held by various departments, as well as the Professional Guidance Cell and the Entrepreneurship Development Cell, to provide students with information on higher education and career options. In this regard, our college, in partnership with the Madurai Employment Division, arranged a training from July 10 to 14, 2019, during which many students were exposed to various competitions and won numerous prizes. Short-term skill training programme for BSNL, ICT, ATDC, and NFDC was organised on December 10, 2019, through Tamilnadu Skill Development Corporation. 292 students have been chosen for this more prestigious chance. As a result, many students were able to take advantage of work

	possibilities in a variety of companies this year.
Proposed to organize bridge intensive course to all new entrants.	During the first week of reopening, all first-year students were offered a one-week Bridge Course to bridge the gap between their school and college admission. Every year, before the start of the first semester classes, a bridge course for newly admitted students is held. The course's major goal is to help students bridge the gap between what they learned in school and what they will learn in college.
Proposed Village Adoption	Our college chose the hamlet of Kulamangalam on 15.10 2019 in collaboration with Digital Enterprises to bring bact the dream our former President A.P.J. Abdul Kalam, and to help with integrated and holistic development. To raise awareness about social and environmental issues. Our goals are to teach kids about basic human requirements like sanitation and clean drinking water, to make them socially responsible citizens, and to enrich their knowledge through street plays.The villagers are to be motivated by Awareness Programmes, Medical Camp and Training sessions.
RUSA funds - Construct more classrooms, Laboratory and hostel	RUSA intends to bring in revolutionary reforms in the State Higher Education System by establishing an enabling institutional structure for state-level planning and monitoring, enhancing autonomy in State Universities, and improving institutional governance. A proposal for a hostel building with a budget of 2 crores has been forwarded to RUSA. Our college was lucky enough to receive RUSA funding for the construction of a hostel. Under RUSA 2.0, the College was awarded Rs. 1.25 crore for the construction of a hostel.
Institutional Excellence	Teaching is a sacred and noble profession that benefits humanity. It not only teaches people many subjects of knowledge, but it also teaches them the fundamentals of life and society. The teacher serves as a role model for his or her students. In addition to scientific information, they teach children ethical, religious, and moral principles of society. This year, five of our faculty members were awarded doctorates, allowing them to contribute to the College's growth through their

	research experiences. Aside from that, a handful of our Faculty members have received notable honours for their dedication to our college. In a national conference, 27 teachers delivered papers, and 34 staff members presented at international conferences. 69 academic members attended conferences at the state, national, and international levels. In addition to their involvement, seven departments have held conferences and workshops in their departments.
Research and Innovations	With the registration of Ph.D. candidates and the results of research activities in full swing, both departments have been promoted as Research Centres. On February 25th 2020, the honourable Vice Chancellor launched the New Computer Laboratory as part of this research expansion. Scholars from all throughout the state, as well as those from Kerala, were registered, allowing for a broader area of research and extension.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Vision: • To strive for the elevation and emancipation of individuals with total dedication, commitment to hard work. Mission: • To provide an all round development to the students to mould themselves for an effective, efficient and proactive contribution to the country. • To turn each student into an able and responsible citizen with good values for building a strong nation. • To facilitate the young women from all the strata of society by enabling them to pursue learning process to liberate, transform and empower them in the society. The Principal, Head of the Departments, Members of IQAC, Autonomy, Controller of Examination, Staff, Student Union Members, Student Representatives and many committees are knitted perfectly together to design and execute the plans in the hierarchy of governance. HODs are responsible for Department level Administration like Duties Allotment to Faculty, Maintenance of Laboratory, Department Library, Allocating subjects to the teachers concerned and framing time table as per the workload. They are also entrusted with the responsibility of conducting department level meeting staff meeting, organizing guest lectures, conferences, workshops and seminars. Both students and staff are welcome to offer their suggestions which will take the institution to glory. Many of their suggestions are being implemented and the outcomes are being edited periodically. The Principal converse staff meeting and open democratic articulations are voiced in the interests of the development of the institution. Normally HODs arrange for Parent Teacher Meetings and the performances of their wards and their attendance are reviewed. Staffs meeting both at the college level and at the department level are often convened to encourage and motivate the teachers for publishing articles in reputed research journals and to attend seminars workshops etc. Teachers being class tutors every first and third Wednesday meet their wards for an hour individually or in group and discuss their personal and academic issues and give counselling to them. In the Institutions, many units like IQAC, Autonomy, RUSA, NSS, NCC, YRC, PTA, OSA,Entrepreneurship, women's forum, Consumer club, Nitch Club, Rotract, Science Forum, Career Guidance, Counselling Cell, Readers Club, Thatha Patti Club, and the like are available. Staff members are appointed as Coordinators,

Advisors etc to channelize the bubbling energy of the youth in making them participate in the programmes. Curriculum Designing :The designing of Curriculum exposes the decentralization and participative management. The Curriculum Development Committee of the curriculum prepare the programme structure for all programmes. The faculty members prepare the scheme and course content as per the given structure. The prepared syllabus is then placed in the Academic Council for the approval. Every year the institution collects the feedback on curriculum from Students, Teachers, Alumni, Parents and Employers. 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Sri Meenakshi Government Arts College for Women was established by the government of Tamilnadu in the temple city of Madurai in the year 1965, to fulfill the need for upliftment of women in and around Madurai. Set in a sprawling campus of 20 acres, the college began its journey with 320 students and 13 teaching and 13 non-teaching staff members. Today, the college stands upgraded to Grade-I status, and is well placed among the 14 Grade-I colleges in the state of Tamil Nadu. Autonomy status was conferred upon it on 6th October 1998 and the institution continues to grow from strength to strength, reaching out far and wide to young women thirsting for empowerment through education. The college has since grown in stature, having on its roll, 3639 students, 150 teaching and 43 non-teaching staff, at present. There are 13 under graduate and seven post graduate courses offered now. Our College is one among the six government colleges where the Satellite Interactive Remote Terminal has been Installed. Goals and Objectives "To strive, to seek and not to yield" — Strive hard, seek knowledge and do not yield to temptation—the goal of the college is to cater to the higher education needs of the lower middle class and economically backward sections of women in and around Madurai. "Service for the cause of Women Empowerment" is the objective of the college. Our Vision To

uplift the socially backward and economically poor young women of the society and empower them by imparting knowledge through holistic education, making them independent and responsible citizens to contribute to the development of the society. Our Mission To undergo accreditation periodically. To identify our own strengths and weaknesses. To add to our strengths and eliminate weaknesses. To modernize the Teaching-Learning Process and to promote research culture. To encourage innovations and accountability. To encourage consultancy services and training.
