## REPORT

The IQAC, in collaboration with the Department of Home Science, organized an **Alumni Mentorship Series** titled '*Career Opportunities in Home Science*' on 31st August 2024. The event commenced with a warm Welcome Address by **Dr. J. B. Sharmila**, the IQAC Coordinator, followed by an inspiring Presidential Address by **Dr. S. Vanathi**, the Principal of the institution. The session progressed with **Dr. R. Saradha**, Associate Professor of Home Science, introducing the distinguished chief guest, **Ms. M. Ramyasivaselvi**, a renowned alumna and Subject Matter Specialist at ICAR-KVK, CENDECT, Thenn.

**Ms.M.Ramyasivaselvi** delivered an enlightening keynote address, sharing her journey from being a student of the institution to becoming a Subject Matter Specialist. She elaborated on the diverse career opportunities available in Home Science, including roles in food processing, nutrition, dietetics, child development, textiles, and rural extension services. Ms. Ramyasivaselvi emphasized the importance of continuous learning, adaptability, and networking in building a successful career. She also shared practical insights into her work at ICAR-KVK, where she designs and implements programs to enhance the livelihoods of farmers and rural women. Her session was highly interactive, with students actively engaging in discussions and seeking advice on career planning and skill development.

The event concluded with an engaging Q&A session, where students posed questions to the chief guest regarding challenges in the field, emerging trends, and strategies for career advancement. A total of 140 participants attended the program. The event concluded with a heartfelt Vote of Thanks delivered by **Ms. Shanmuga Priya**, a III BSc Home Science student. She also thanked the faculty members, participants, and the organizing team for their contributions to the success of the program. **Ms. Vigneshwari** and **Ms. P. Preethi**, I MSc Home Science students, served as the Masters of Ceremony and ensured the smooth flow of the program. The session left the students motivated and better equipped to explore the vast opportunities in Home Science, marking yet another milestone in the institution's efforts to foster academic and professional excellence.

## REPORT:

The Internal Quality Assurance Cell organized an **Orientation Programme** on **10th September 2024**, titled **"NAAC Dr. Reforms – Challenges and Opportunities"**. The event aimed to provide faculty members and staff with a comprehensive understanding of the recent reforms introduced by the National Assessment and Accreditation Council (NAAC) and to discuss the associated challenges and opportunities. The programme was attended by **83 participants**, including faculty and staff members.

The session commenced with a warm Welcome Address by **Dr. J.B. Sharmila**, the IQAC Coordinator. She emphasized the importance of staying updated with NAAC reforms and their role in enhancing the quality of higher education institutions. Following this, **Dr. S. Vanathi**, the Principal, delivered the Presidential Address, highlighting the institution's commitment to academic excellence and the significance of NAAC accreditation in achieving this goal.

The session progressed with **Dr. D. Ramkumar**, Associate Professor in the Department of BBA, introducing the distinguished Chief Guest. The keynote address was delivered by **Dr. C. Ravi**, former IQAC Coordinator of Thiagarajar College, Madurai. As the Resource Person, Dr. Ravi provided an in-depth analysis of the NAAC reforms, discussing the challenges institutions face in implementing these reforms and the opportunities they present for improving quality standards. His session was highly informative and interactive, engaging participants in meaningful discussions.

The programme concluded with a Vote of Thanks delivered by Dr. C. Pandipriya, Associate Professor in the Department of Economics. She expressed gratitude to the Chief Guest, Resource Person, Principal, IQAC Coordinator, and all participants for their active involvement and contributions, which made the event a success.

**Report on Alumni Mentorship Program**

"Unleash the Potential in You"

Date: 12.09.2024

Time: 10:00 a.m – 12:30 p.m

Venue: Botany UG Lab

Organized by: Internal Quality Assurance Cell (IQAC) and Department of Botany

Guest Speaker: Dr.K Rajalakshmi, Associate Professor of Botany, NGM College, Pollachi.

**Objectives of the Programme:**

The primary objective of the Alumni Mentorship Program is to provide students with insights into the scope and opportunities in the field of Botany through the lens of an experienced alumna. The program aims to:

- Inspire and motivate students by showcasing real-life success stories.
- Highlight the various career opportunities in Botany.
- Guide students on how to unleash their potential and excel in their academic and professional journeys.
- Facilitate interaction between students and alumni, fostering mentorship and networking opportunities.

**Scope of the Programme:**

The mentorship program focused on exploring the vast opportunities in the field of Botany both in academia and industry. It provided students with an understanding of how to align their academic endeavors with potential career paths, encouraging students to pursue higher education and research in Botany. The Programme offered insights into the personal academic journey of the Guest Speaker, emphasizing the importance of persistence, dedication, and passion in achieving success.

### **Target Audience:**

The target audience for the program was Undergraduate (UG) and Postgraduate (PG) students of the Department of Botany. A total of 100 students participated in the event, with a mix of second-year to final-year UG students and PG students.

### **Diversity of Participants:**

The participants came from diverse academic backgrounds within the Botany Department, ranging from Undergraduates to final-year Postgraduates. This diversity added value to the event, as students from different academic levels could benefit from the insights shared by the speaker, regardless of their current academic standing.

### **Event Highlights:**

The event commenced with a formal prayer followed by a welcome address by Dr.G.Grace Lydial Pushpalatha, Head of the Department of Botany, who set the tone for the event by emphasizing the importance of mentorship and learning from alumni experiences. Dr.G.Mangai Kasturi, Assistant Professor of Botany, introduced the Guest Speaker, Dr. Rajalakshmi, outlining her achievements and contributions to the field of Botany. The Guest Speaker was honored by Dr. G. Sampath Kumar, Associate Professor of Botany, recognizing her valuable contributions as a token of appreciation.

### **Interactive Session and Game:**

The session started with a fun and engaging game conducted by the Guest Speaker, Dr.K.Rajalakshmi, which was facilitated by Dr.S.M.Janetta Nithya, Assistant Professor of Botany. The game aimed to break the ice and encourage active participation from the students, making the session lively and interactive.

### **Guest Speaker's Address:**

Dr.K.Rajalakshmi shared her personal academic journey, from her early days as a student to her current role as an Associate Professor. She highlighted the challenges she faced, the decisions that shaped her career, and the importance of staying focused on one's goals. Her talk covered various aspects of Botany, including research opportunities, career prospects, and the skills required to succeed in the field. She motivated the students to explore new avenues and to believe in their potential.

The event concluded with a vote of thanks delivered by Dr.M.P.Sivasankari, Associate Professor of Botany and IQAC member, who expressed gratitude to the guest speaker, the organizing team, and the participants for making the event a grand success.

### **Feedback from Participants:**

Students shared their feedback on the program, expressing their appreciation for the opportunity to interact with an alumna who had successfully navigated the academic and professional challenges in Botany. The students highlighted that the speaker's journey was both relatable and inspiring, providing them with a clear roadmap for their own futures. The interactive game was also well-received, as it helped students feel comfortable and engaged throughout the session.

### **Some specific feedback from the students:**

- The session gave them a broader understanding of the various career options available after completing a degree in Botany.
- They appreciated the practical advice on how to excel in their studies and pursue higher education.
- The students felt encouraged to explore research and higher studies in Botany, which was previously not a focus for many of them.

### **Outcomes of the Programme:**

The Alumni Mentorship Program successfully achieved its objectives by providing students with valuable insights into the field of Botany and encouraging them to unleash their potential.

### **Key outcomes included:**

- Students gained a deeper understanding of the opportunities available in Botany, including research, academia, and industry roles.
- The Guest Speaker's emphasis on pursuing higher education and research inspired many students to consider these options seriously.

- The program facilitated meaningful interactions between alumni and current students, fostering a practice of mentorship within the department.
- The overwhelmingly positive feedback from students indicated that they found the program beneficial and were keen to attend more such sessions in the future.

On the whole, the Alumni Mentorship Program left a lasting impact on the participants, equipping them with the knowledge and motivation needed to explore their potential in Botany.

A group of approximately ten women, dressed in various colored sarees (red, green, blue, pink), are standing behind a long table covered with a blue and white striped cloth. On the table, there are several items including bottles of water, a small yellow container, and some papers. A man in a light blue shirt is seated at the table, focused on signing documents. To his right, another man in a dark shirt stands observing. In the background, a large banner is visible with the text "BETTER QUALITY ASSURANCE CELL" and other smaller text in English and Tamil. The setting appears to be an indoor hall or community center.

## REPORT:

The Rashtriya Poshan Mah celebration was successfully organized by the IQAC, Department of Home Science, and Voice Trust, Madurai, at Kallandhiri Village Panchayat on September 25, 2024. The event aimed at spreading awareness on nutrition and health among the villagers, with a focus on combating anemia and promoting balanced diets.

The program commenced with a warm welcome address by **Dr. J.B. Sharmila**, HOD of the Home Science Department and IQAC Coordinator, who set the tone for the day by emphasizing the importance of nutrition and community involvement. **Dr.S.Vanathi**, Principal, delivered the presidential address, highlighting the significance of nourishing practices for a healthier future.

A series of engaging activities captured the attention of the attendees. The folk music art form "Villupattu" was performed to creatively convey messages about nutritional awareness. An informative skit on anaemia awareness followed, shedding light on its causes, symptoms, and preventive measures. Additionally, students demonstrated the preparation of balanced diets, providing practical insights into nutritious meal planning. Health-centric initiatives such as growth monitoring and health checkups were conducted by **Dr.Paribalaji**, Chief Consultant at B.G.M Hospital, and his team. These activities offered valuable health assessments and guidance to the community. Distinguished guests **Mr. T. Murugesan**, Director of Voice Trust, Madurai, **Thiru. M. Asaithambi**, President of Kallandhiri Village Panchayat, and **Thiru. K.V. Pandi**, Panchayat Secretary, delivered felicitations, lauding the collaborative efforts in promoting nutritional awareness.

The event concluded with a vote of thanks by **Dr. P. Pandi Priya**, Associate Professor in Economics and IQAC Member, who expressed gratitude to all participants, guests, and organizers for making the event a success. The Village Outreach Activity under Rashtriya Poshan Mah effectively fostered community engagement and empowered villagers with essential knowledge on nutrition, contributing to the goal of building a healthier India.

## REPORT:

The Internal Quality Assurance Cell (IQAC) organized a seminar titled “**Live Your Today, Plan Your Tomorrow**” on **October 9, 2024**, at Foulke’s Hall. The event aimed to inspire and guide participants on personal and financial planning for a secure future.

The program commenced with the *Thamizhthai Vazhthu*, followed by a warm welcome address by **Dr.P.Selvi**, Associate Professor in History and IQAC Co-Coordinator. The guests were honored, and **Dr.S.Vanathi**, Principal, delivered the presidential address, emphasizing the importance of planning for a better tomorrow.

**Session 1** titled “*Starting Today for a Better Tomorrow*”, **Dr. T. Glory Selvam**, Associate Professor in Commerce and IQAC Co-Coordinator introduced the chief guest. The session was conducted by **Dr. P. Suresh Pandian**, Chief Manager & Cluster Head, HDFC Mutual Fund, Central & South Tamil Nadu. He shared valuable insights on financial planning and the significance of early preparation for future goals. The session was highly interactive and interspersed with fun facts and anecdotes. The session concluded with a vote of thanks by **Dr. P. Punitha Ponmalar**, Associate Professor in Computer Science and IQAC Co-Coordinator.

**Session 2** titled “*Demystifying Income Tax Returns*”, **Dr. A. Gandhimathi**, Assistant Professor in Geography and IQAC Member, introduced the chief guest. The session was led by **Dr. B. Selvaveera Kumar**, Assistant Professor, Department of Business Administration, Sri Meenakshi Govt. Arts College for Women (A), Madurai. He provided a comprehensive understanding of income tax returns and their importance in financial planning. Feedback was collected from participants, and **Dr. J. Shahin**, Assistant Professor in English and IQAC Member, delivered the vote of thanks.

The event was skillfully anchored by **Dr. D. Arumugakani**, Associate Professor in Mathematics and IQAC Member, and concluded with the National Anthem. A total of **41 participants** attended the seminar, which successfully achieved its objective of equipping participants with knowledge and strategies for effective personal and financial planning.

## REPORT:

The IQAC organized an online workshop titled *"Mastering Data Analysis with Excel and AI"* on **December 3, 2024**, via the Zoom platform. The event aimed to enhance participants' proficiency in data analysis through Excel and AI-driven techniques.

The workshop commenced with a warm welcome address by **Dr. J.B. Sharmila**, IQAC Coordinator, who set the stage for an insightful session. This was followed by the Presidential Address delivered by **Dr. S. Vanathi**, Principal, who emphasized the significance of data-driven decision-making in today's digital era.

**Dr. P. Punitha Ponmalar**, Organizing Secretary and Associate Professor in Computer Science, introduced the esteemed resource person, **Dr. P. Kamalakannan**, MBA., M.Phil., Ph.D., from the School of Business Intelligence, Salem, Tamil Nadu. Dr. Kamalakannan conducted an engaging technical session, guiding participants through practical applications of data analysis using Excel and the integration of AI tools to optimize data-driven insights.

The workshop featured a dedicated **Q&A session**, where participants actively interacted with the speaker, seeking clarifications and exploring advanced concepts in data analysis. The event concluded with a heartfelt vote of thanks by **Dr. M.S. Meenakshi**, Associate Professor in Commerce, who expressed gratitude to the organizers, the resource person, and the participants for their enthusiastic involvement. A total of **75 participants** attended the workshop, making it a resounding success.

The workshop equipped participants with practical skills and fostered a deeper understanding of data analysis techniques. The IQAC looks forward to organizing more such enriching sessions in the future.

## REPORT:

The Internal Quality Assurance Cell (IQAC) of Sri Meenakshi Government Arts College for Women, in collaboration with the SOCO Foundation and the Justice Shivraj Patil Foundation, organized a seminar on the "16-Day Campaign Against Gender-Based Violence." The event was graced by the presence of the Head of the Tamil Department, Controller of Examinations, and Vice President of the College Union, Dr. S. Chandra, who delivered the welcome address. In her speech, she emphasized the need for societal transformation to ensure women are given prominence.

The college Principal, Dr. S. Vanathi, delivered the presidential address. In her speech, she elaborated on government initiatives for women's empowerment and the 12 declarations of the Beijing Conference. She further explained that women's education and skill development are the foundation for women's liberation.

The Associate Director of the SOCO Foundation and Trustee of the Justice Shivraj Patil Foundation, Advocate Tmt. S. Selva Gomathi, delivered a special address on the topic "Beijing Declaration: 30-Year Journey Towards a World Free of Gender-Based Violence." In her speech, she discussed the 1995 Beijing Conference, its significance in the global movement for women's liberation, and the laws aimed at protecting women's dignity in workplaces and society. She also highlighted the importance of psychological resilience for women and the necessity of women's education for societal benefit.

The Head of the Home Science Department and Coordinator of the IQAC, Dr. J.B. Sharmila, delivered the vote of thanks. The event concluded with the national anthem.

## REPORT:

The Internal Quality Assurance Cell organized a **Faculty Development Programme** on **"Adapting Teaching Strategies for Multidisciplinary Classroom"** on **11th December 2024**. The event aimed to equip faculty members with innovative teaching methodologies to address the challenges of multidisciplinary learning environments.

The programme began with a warm welcome address by **Dr. J.B. Sharmila**, IQAC Coordinator and Associate Professor in Home Science. She emphasized the importance of adapting teaching strategies to cater to diverse academic backgrounds and learning needs in multidisciplinary classrooms. **Dr.S.Vanathi**, Principal of the institution, delivered the presidential address. She highlighted the growing need for interdisciplinary approaches in education and encouraged faculty members to embrace innovative teaching practices to enhance student engagement and learning outcomes. **Dr. M.S. Meenakshi**, IQAC Member and Associate Professor in Commerce, introduced the resource person, **Dr. S. Raja Kumar**, Assistant Professor of Education from Thiagarajar College of Preceptors, Madurai. Dr. Raja Kumar conducted an insightful technical session, focusing on practical strategies for teaching in multidisciplinary settings. He shared valuable insights on integrating diverse subject knowledge, fostering collaborative learning, and utilizing technology to create an inclusive classroom environment.

The session was highly interactive, with active participation from **51 faculty members**. Participants appreciated the resource person's expertise and the relevance of the topic to contemporary educational challenges. Feedback from the attendees highlighted the session's effectiveness in providing actionable strategies for multidisciplinary teaching.

The programme concluded with a vote of thanks by **Dr.P.Punitha Ponmalar**, IQAC Co-Coordinator and Associate Professor in Computer Science. She expressed gratitude to the resource person, the principal, and all participants for their contributions to the success of the event. This Faculty Development Programme served as a platform for faculty members to enhance their teaching skills and adapt to the evolving demands of multidisciplinary education. The IQAC remains committed to organizing such initiatives to promote academic excellence and innovation in teaching practices.

## REPORT

The Internal Quality Assurance Cell organized an **Orientation Programme** on “**Future of AI in Education**” on **11th December 2024**. The event aimed to explore the transformative role of **Artificial Intelligence (AI)** in shaping the future of education and to prepare faculty members and students for the evolving technological landscape.

The programme commenced with a warm welcome address by **Dr. J.B. Sharmila**, IQAC Coordinator and Associate Professor in Home Science. She emphasized the role of AI in education and its potential to revolutionize teaching, learning, and administrative processes. **Dr. S. Vanathi**, Principal of the institution, delivered the presidential address. She highlighted the importance of integrating AI into educational practices to enhance personalized learning, improve efficiency, and foster innovation. She also encouraged participants to embrace AI as a tool for academic and professional growth. **Dr. M.P. Siva Sankari**, IQAC Member and Associate Professor in Botany, introduced the resource person.

**Dr. K. Thangavel**, Assistant Professor of Education from Thiagarajar College of Preceptors, Madurai. Dr Thangavel conducted an engaging technical session, delving into the applications of AI in education. He discussed topics such as AI-driven personalized learning, intelligent tutoring systems, data analytics for student performance, and the ethical implications of AI in education. His session provided valuable insights into how AI can be leveraged to create more effective and inclusive learning environments.

The event witnessed enthusiastic participation from 70 attendees, including faculty members and students. The participants actively engaged in the session, asking questions and sharing their perspectives on the future of AI in education. Feedback from the participants highlighted the session's relevance and the resource person's ability to simplify complex concepts.

The programme concluded with a vote of thanks delivered by **Dr. T. Glory Selvam**, IQAC Co-Coordinator and Associate Professor in Commerce. This Orientation Programme served as a platform to explore the future of AI in education and its potential to transform traditional teaching and learning methodologies. The IQAC remains committed to organizing such forward-thinking initiatives to foster innovation and excellence in education.

## REPORT

The **Internal Quality Assurance Cell** of our college organized an inspiring competition on **December 17, 2024**, to commemorate the United Nations International Day for People with Disabilities. The event, which saw enthusiastic **participation from 25 differently-abled students** of our college, was designed to celebrate their unique talents and promote inclusivity within our academic community. The day began with a thought-provoking **drawing competition** on the theme "**Everyone is Different**" where participants created beautiful artworks celebrating diversity. This was followed by a soulful **singing competition** featuring "**Mahakavi Bharathiyar's songs**" compositions, where students moved the audience with their melodious voices. The poetry recitation session on the powerful theme "**Nothing About Us, Without Us**" showcased the participants' eloquence and depth of expression. The final event was a painting competition on the theme "**My Dream Landscape**" where students brought their imaginative visions to life through vibrant colors and creative compositions. The outstanding performances, particularly in the drawing competition, demonstrated the remarkable artistic abilities of our students. The event's success was made possible through the dedicated efforts of **Dr. J. Shahin** Assistant Professor of English, **Dr.D.Arumugakani** Associate Professor of Mathematics, and **Dr.D.Maheswari** Associate Professor of History, along with our committed **student volunteers**. Their collective efforts created a supportive and encouraging environment that allowed every participant to shine. The IQAC extends its deepest appreciation to all involved for making this celebration of ability and diversity, a truly memorable occasion that reinforced our institution's commitment to inclusivity and equal opportunities for all students. We look forward to continuing this meaningful tradition in the years to come.

## REPORT

The **Internal Quality Assurance Cell** and the **Department of Computer Science** organized a hands-on workshop on **"Resume Preparation Using AI Tools"** on **20th December 2024**, aimed at enhancing students' employability skills. The workshop adopted an innovative **student-led flipped classroom approach**, where six final-year UG and PG Computer Science students shared their expertise with participants from various departments.

The event featured two parallel sessions:

**Session 1** for UG students (10:30 AM–11:30 AM, RUSA 1.0 Hall)

**Session 2** for PG students (10:30 AM–11:30 AM, II MSc Computer Science Classroom).

The student facilitators demonstrated practical techniques for crafting professional resumes using AI-powered tools, covering aspects such as **ATS optimization, content structuring, and design enhancement**. Participants engaged in interactive activities, receiving personalized feedback on their resumes. The collaborative learning environment encouraged peer-to-peer knowledge sharing, making the session highly effective. With enthusiastic participation from students across disciplines, the workshop successfully achieved its objective of equipping attendees with **AI-driven resume-building skills**. The IQAC extends gratitude to the **Department of Computer Science**, student facilitators, and **Dr. P. Punitha Ponmalar** IQAC Co-Coordinator & Associate Professor of Computer Science for their efforts in organizing this impactful initiative. Such workshops align with our commitment to fostering **industry-ready competencies** among students.

## REPORT

The **IQAC** along with the **UMIS & PPS Committees** organized a Hands-on Training Program on UMIS-PPS Portal for teaching and non-teaching staff on **28th January 2025**. The program aimed to equip participants with practical knowledge of the portal's functionalities for efficient institutional administration. The session began with a warm welcome address by **Dr.S.Chandra**, Head of the Tamil Department and Controller of Examinations, who emphasized the importance of digital proficiency in academic and administrative workflows. **Dr.G.Sujatha**, PPS Coordinator, introduced the program objectives and highlighted the significance of the UMIS-PPS system in streamlining institutional processes. **Dr.S.Chandrasekar**, UMIS Coordinator, delivered an informative PPT presentation, detailing the step-by-step usage of the portal, including data entry, report generation, and troubleshooting common issues. The committee members provided individual system demonstrations, ensuring participants gained hands-on experience in navigating the portal. The organizing team comprising **Dr. K.Parameswari**, Assistant Professor in Mathematics, **Dr. A.Parimalam**, Associate Professor in Chemistry, and **Dr.K.Anuradha Associate Professor in Chemistry** ensured smooth execution of the training session. With **140 participants** in attendance, the session was highly interactive, as staff members actively practiced portal operations under expert guidance. The training successfully enhanced their technical skills, ensuring smoother institutional data management. The IQAC extends gratitude to all coordinators, presenters, and participants for making this initiative a success. Such programs reinforce our commitment to digital empowerment and operational efficiency in academic administration.

Sri Meenakshi Government Arts College for Women (A) proudly celebrated Book Donation Day on **February 17, 2025**, organized by the Department of Business Administration and the Internal Quality Assurance Cell (IQAC). This event, aligned with the global observance on **February 14th**, aimed to promote reading culture and educational development among students. The college community demonstrated remarkable generosity, with faculty and students collectively donating **716 books** across various genres (**Textbooks, Fiction, Self-help books, Biographies, Reference books, Dictionaries, School textbooks, Grammar books, Competitive exam materials**). Of these, **429 books** were enthusiastically selected by our college students during the event, while the remaining will be donated to nearby government school students, reflecting our commitment to social responsibility and community education. The Book Donation Day event commenced with a warm welcome address by **Dr. Maria Pon Reka**, Head of Business Administration, who highlighted the importance of reading. **Dr. S. Vanathi**, College Principal, delivered the keynote address emphasizing the transformative power of books in education. **Dr. Jebapriya**, Associate Professor of Business Administration, presented the concept behind the initiative, explaining its educational and social objectives. The program successfully concluded with a vote of thanks by **Dr. J.B. Sharmila**, IQAC Coordinator and Head of Home Science Department, who acknowledged all contributors. The event fostered a culture of sharing knowledge while strengthening community ties through book donations. The event witnessed active participation from numerous students and faculty members, with **385 books** being immediately claimed by students. This initiative successfully fostered knowledge sharing while strengthening the bond between our institution and the community.

## REPORT

The **Internal Quality Assurance Cell** and **Intellectual Property Rights (IPR)** Committee jointly organized an informative **seminar** on "**Patent Rights and Digitalization**" on **March 13, 2025**. The event was attended by **120 participants**, including faculty members and students, who gained valuable insights into intellectual property rights in the digital era.

The seminar commenced with a welcome address by **Dr. J.B. Sharmila**, IQAC Coordinator and Associate Professor in Home Science, who emphasized the importance of patent awareness in academia and industry. **Dr. S.Vanathi**, Principal, delivered the presidential address, highlighting the role of digitalization in modern IPR management and innovation. The keynote speaker,

**Mr. JK Muthu** (Founder of BGrow.com & Kamalam Ventures and Chairman of DigitALL Madurai), was introduced by **Dr. P. Selvi**, IPR Committee Coordinator and Associate Professor in History. Mr. Muthu conducted an engaging technical session, covering topics such as:

- Fundamentals of patent filing and protection
- Digital tools for IPR management
- Case studies on successful patent strategies

The resource person highlighted the **7 - i's** in IPR, namely, Innovation, Intellectual Property, Information Technology, Intrapreneurship, Insight, Integrity and Implementation. He also enlightened the audience with suitable examples, on the categories of intellectual property for which IPR can be obtained: Trademark, Copyright, Design Right, Patent and Geotag.

Participants actively engaged in a feedback session, sharing their perspectives on the seminar's relevance. The event concluded with a vote of thanks by **Dr. P. Kala**, IPR Committee Member and Associate Professor in History, who acknowledged the contributions of the guest speaker and attendees.

This seminar successfully enhanced awareness about patent rights and digital innovations, aligning with the institution's commitment to fostering research and intellectual property literacy.
